Legion 613 — New P4 Screens

LEGION
CERTIFIED
PRE-OWNED

We built this truck in 2018 — and refurbished it ourselves. Every Legion Certified Pre-Owned truck is inspected and reconditioned by the original builder, not a third party guessing at what's under the panels.

THE NEW P4 DISPLAY SYSTEM

Built for the Street. Bright Enough for Broad Daylight.

This 613 runs a fresh set of P4 LED panels engineered for outdoor use — die-cast aluminum construction, full rear service access, and weatherproofing that stands up to whatever the road throws at it.

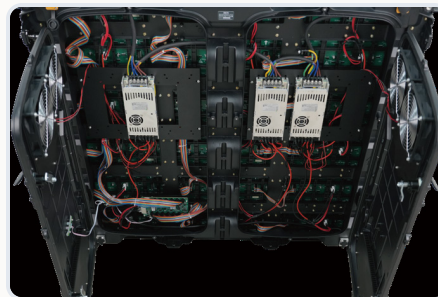

HD DIE-CAST PANELS

Sharp, high-density P4 pixels with a modern die-cast design for a clean, professional face.

IP65 WEATHERPROOF

Sealed front rated to withstand rain, dust, and harsh weather for reliable outdoor operation.

BUILT-IN COOLING

Integrated cooling fans keep the panels stable even under high temperatures and long run times.

QUICK-LOCK SYSTEM

Fast, precise panel alignment for a seamless display face with no visible seams.

FULL REAR SERVICE ACCESS

Quick access to internals means faster maintenance and less downtime on the road.

CLEAN, READY CAB

Comfortable Transit 350HD cab, ready to drive and earn from day one.
